Dog Days of Summer is a charity festival dedicated to supporting Colorado dog rescues!

Attendees can anticipate a day filled with interactive games, activities, and the opportunity to connect with adoptable dogs.

This event presents a unique chance to make a positive impact on the lives of dogs while fostering connections within the community.

As a participating rescue, you would be given a spot on *Rescue Row*, where you'll be able to bring your own adoptable dogs to meet and greet with potential adopters and spread the word about the important rescue work that you do.

Additionally, attending rescues will also be given a share of the funds raised for the event so that you can continue to provide such a vital service for dogs in need.
